**Format Monday: Shamle (One Best Net)**

Both players may tee off on each hole. Players select the best tee shot and play their own ball until the ball is holed. After the tee shot only, players may both play from within one club-length (one putter-head length on the green), maintaining the integrity of the lie (i.e. ball in the rough stays in the rough). Teams will record their best net score (net triple bogey max).  
*Handicaps: Players receive 80% of their course handicap*

**Tuesday: One Best Ball Net**

Players play their own ball. A team's score will be determined by the "better net score" on each hole (net triple bogey max).  
*Handicaps: Players receive 85% of their course handicap*

*\*Handicap percentages above are based on USGA recommendations*

**Handicaps:** The USGA index revision on September 1 will be used.

**Tees:** Players will play the III tees (approx. 6000 yds.)  
*If a player's age and index combine to 90 or higher, they may play the IV or V tees  
Typically, a player's IV tee handicap is 1-3 strokes lower, and V tee handicap is 6-10 strokes lower, than their III tee handicap*

**Ties:** Ties will be broken by Tuesday/Round 2's net score with the lowest 18-hole net score winning. If this results in a tie, then the last 9, last 6, etc. from Round 2 will be used.

**Local Rules:** The 14-club rule will be in effect  
Our "Gimme" rule will be in effect
