## **Local Rules:**

- As per the rules of golf, all areas, unless a bunker, green, teeing ground, or marked as a penalty area, will be considered in the 'General Area,' where the stroke and distance penalty applies for a lost ball.
- The 14 Club Rule is in effect.
- Relief from stance/swing on a **sprinkler head** may be given if the ball is in the general area (not bunker), the head must be on or within two club-lengths of the ball and of the putting green, and must be on the intended line of play.
- For any rules questions that cannot immediately be decided, please seek out a Golf Professional. The '2-Ball/Doubt as To Procedure rule does not apply in match play.
- Designated drop areas are available as an additional penalty area option on #10 and #16.
