Each player may tee off on each hole. The best shot is selected. This procedure is repeated until a ball is holed or a 'Gimme.'

Players may lift, clean, and place their ball within one club-length (one putter-head length on the green), maintaining the integrity of the lie (i.e. ball in the rough stays in the rough) and repeat this procedure until the ball is holed.

**Handicaps:** June 1st USGA 'Low Handicap Index' (12-month low) used for handicap calculation (maximum handicap of 36). Combined 25% A player, 20% B player, 15% C Player, 10% D Player (rounded to one decimal place). Maximum score on a hole is triple bogey.

**Prizes:** The Overall low net team, and low men's, ladies', and mixed team(s) will be awarded prizes. There will be Closest To The hole contests on #7 & #16.

**Tees:** Men play the II tees, unless they have previously notified a golf professional in advance their intent to play the III or IV tees with a handicap adjustment. Ladies play the V tees.

**Ties:** All ties will be broken by the lowest net score on holes 10—18, then 13—18, and so on until a winner is determined.

## **Local Rules:**

- **"Gimme" Rule:** A putt may be considered a "gimme" if the entire ball is closer to the hole than the distance between the metal bottom of the flagstick and the inside/bottom edge of the black tape. A "gimme" does count as a stroke.
- The 14 Club Rule is NOT in effect.
