Format Shamble (One Best Net)

Both players may tee off on each hole. Players select the best tee shot and play their own ball until the ball is holed. After the tee shot only, players may both play from within one club-length (one putter-head length on the green), maintaining the integrity of the lie (i.e. ball in the rough stays in the rough). Teams will record their best net score (net triple bogey max).

Handicaps: Players receive 80% of their course handicap

Handicaps: August 15th USGA ‘Low Handicap Index’ (12-month low) used; max. handicap of 36.

Tees: Players will play the III tees (approx. 6000 yds.)
*If a player’s age and index combine to 90 or higher, they may play the IV or V tees
Typically, a player’s IV tee handicap is 1-3 strokes lower, and V tee handicap is 6-10 strokes lower, than their III tee handicap*

Ties: Ties will be broken by a scorecard playoff, beginning with the last 9, last 6, etc.

Local Rules:

- *“Gimme” Rule:* A putt may be considered a “gimme” if the entire ball is closer to the hole than the distance between the metal bottom of the flagstick and inside/bottom the edge of the black tape. A “gimme” does count as a stroke.
- The 14-Club Rule is in effect.
