Following Play: Awards, cocktails, & hors d'oeuvres

Format:

Scramble (net) With a Step-Back:

Each player may tee off on each hole. The best shot is selected.

Step-Back: For each shot after the tee shot, the player's whose shot was selected takes a 'step back' and does not play that shot. So, for each shot other than a tee shot, only 3 players will play those shots.

No practice or 'scout' shots may be hit by the step-back player

Players may lift, clean, and place their ball within one club-length (one putter-head length on the green), maintaining the integrity of the lie (i.e. ball in the rough stays in the rough) and repeat this procedure until the ball is holed.

Handicaps:

September 1st USGA 'Low Handicap Index' (12-month low) used; max. handicap of 36. Combined 25% A player, 20% B player, 15% C Player, 10% D Player (rounded to one decimal place). Maximum score on a hole is triple bogey.

Prizes:

The Overall low net team, and low men's, ladies', and mixed team(s) will be awarded prizes. There will be Closest To The hole contests on #7 & #16.

Tees:

Men play the II tees, unless they have previously notified a golf professional in advance their intent to play the III or IV tees with a handicap adjustment. Ladies play the V tees.

Ties:

All ties will be broken by the lowest net score on holes 10—18, then 13—18, and so on until a winner is determined.

Local Rules:

- **"Gimme" Rule:** A putt may be considered a "gimme" if the entire ball is closer to the hole than the distance between the metal bottom of the flagstick and the inside/bottom edge of the black tape. A "gimme" does count as a stroke.
- The 14 Club Rule is NOT in effect.
