Format: **Scramble (net):**
Each player may tee off on each hole. The best shot is selected. This procedure is repeated until a ball is holed or a 'Gimme.' Players may lift, clean, and place their ball within one club-length (one putter-head length on the green), maintaining the integrity of the lie (i.e. ball in the rough stays in the rough).

Handicaps: June 1st USGA 'Low Handicap Index' (12-month low) used for handicap calculation (maximum handicap of 36). Combined 25% A player, 20% B player, 15% C Player, 10% D Player (rounded to one decimal place).
Maximum score on a hole is triple bogey.

Prizes: The Overall Low Net team, and Low Men's, Ladies', and Mixed team(s) will be awarded prizes. There will be Closest To the Hole contests on #7 & #16.

Tees: Men play the II tees, unless they have previously notified a golf professional in advance their intent to play the III, IV, or V tees with a handicap adjustment. Ladies play the V tees.

Ties: All ties will be broken by the lowest net score on holes 10—18, then 13—18, and so on until a winner is determined.

Rules/reminders to help with pace of play and fun for all players:

- **“Gimme” Rule:** A putt may be considered a “gimme” if the entire ball is closer to the hole than the distance between the metal bottom of the flagstick and the inside/bottom edge of the black tape. A “gimme” does count as a stroke.
- The 14 Club Rule is NOT in effect.
- **Sprinkler Head Close To Putting Green** (Model Local Rule F-5): For a ball in the General Area, a player may take relief under Rule 16.1b if the sprinkler head is on the line of play (reasonable), within two club-lengths of the putting green, and within two club-lengths of the ball.
